

80 KENMORE ROAD, Kenmore

 3  2  4  632m²

A TREASURED GEM IN THE HEART OF KENMORE

This well-designed single level home on a 632 square meter corner block delivers on privacy and is perfect for those buyers seeking relaxed living or a solid investment close to transport, schools, childcare, shops and local facilities.

The lounge and dining which takes advantage of the natural light and breezes leads to the open planned kitchen which overlooks a large secure outdoor entertainment area. All bedrooms have built-in wardrobes and the air-conditioned master features an ensuite. The large renovated main bathroom has a separate bath.

There is an additional family room (which overlooks the front secure courtyard) which could easily be converted to a 4th bedroom. You will love the size of the paved and covered courtyard/entertainment area and garden at the rear, which provides a peaceful haven for your family and guests.

There is plenty of storage areas and a large separate workshop leading to the double lock up garage

This home is ready to live in and enjoy, however there is also scope to personalise and renovate the house to suit your lifestyle and provide a home that will be ideal for families and couples alike.
